A&O Berlin Mitte

The third Berlin hostel/hotel of the A&O group is in Berlin-Mitte, only a stone's throw away from the River Spree and centrally located between Alexanderplatz and Ostbahnhof.

Berlin-Mitte is a district with something for everyone: first of all, of course, you will find a full spectrum of cultural activities, starting with the splendid boulevard Unter den Linden that leads up to Pariser Platz and the famous Brandenburg Gate. Alexanderplatz, the Hackesche Höfe, Gendarmenmarkt or Museum Island – they are all easy to reach from A&O Mitte Ostbahnhof.

But whatever you do, please don't forget the Berlin lifestyle: here you can meet to socialize at one of the many beach bars, sunny places by the Spree and parks, making new plans or simply relaxing and enjoying the true "laid-back" experience of Berlin. The neighbouring district to that of our hotel and hostel is the trendy area of Kreuzberg, which appeals to every visitor with its many small shops, restaurants, bars and snack bars. They even claim that the Turkish "doner" was invented here ...

If you don't want to leave the hotel again after an eventful day, you may feel like expending your remaining energy on a game of billiards or table soccer in our bar. WLAN throughout the building and Internet terminals in the lobby ensure that you can keep in contact with family and friends back home; why not tell them all about the events of the day immediately! The teachers' lounge is equipped with PC, printer, telephone and free Internet access and offers teachers and group leaders a place to relax or work in peace.
