

A&O Dortmund Hauptbahnhof, Königswall 2, D-44137 Dortmund

## A&O Dortmund Hauptbahnhof

No sooner said than done! As from April 2011, a new A&O Hotel and Hostel will await you in Dortmund's city centre. In typical A&O style, we will welcome our guests in a superb central location, close to the main station as well as the busy pedestrian shopping area. No doubt about it, this location is an absolute hit.

From here it is not far to Dortmund's "cultural mile", including the concert hall and the Museum of Art and Cultural History, but also the future DFB Football Museum, the municipal and state library, and finally the Harenberg-Center and the Dortmund "U".

Or you may decide to explore industrial culture in Dortmund: probably the most attractive mine in the Ruhr – Zollern Mine –, the coking works Hansa, and the DASA – German Employment Protection Exhibition are among the main attractions along the route of industrial culture here in Dortmund.

But there is far more to explore than Dortmund itself. You will be staying right in the middle of the Ruhr region, often known as the "Pot", and it is easy to reach the whole of the region. Once the centre of the iron and coal industries, today the metropolis Ruhr is striking for its concentration of culture – the liveliest scene in Europe. Whether musicals in Bochum, Essen and Oberhausen, fascinating industrial architecture at the Essen mine Zollverein, imposing exhibitions in Oberhausen's gasometer or climbing gardens in the landscape park of Duisburg – unique discoveries await you all over the metropolis Ruhr. And it is all before a magnificent backdrop, every season of the year!

To guarantee a really good time in our hotel there are group and seminar rooms available, a lobby bar, ticket counter, bicycles for hire, billiards, table football, games to borrow, karaoke evenings and Internet terminals. 319 beds in 105 rooms are waiting for you. Different kinds of accommodation are catered for: chose between a budget hotel room (single, double, twin or family) or a cheap bed in one of our dorms. Of course all rooms are en suite and equipped with TV and Wifi.

We look forward to welcoming you in the "Ruhr Pot" very soon!
