A&O Hamburg Hauptbahnhof

“MoinMoin!” is the greeting you will hear in the hanseatic city of Hamburg – and not only in the mornings. Our new flagship here is only 10 minutes on foot from the main station: the A&O Hamburg Hauptbahnhof. Accommodation is in single, double or multiple-bed rooms with modern furnishings and equipment, located in a former warehouse once used to store exotic goods from all over the world.

The A&O Hamburg Hauptbahnhof is the perfect starting point from which to explore Hamburg: it is a pleasant walk to the “Speicherstadt” with the new urban district “Hafencity” and a fantastic view of the port. Hamburg’s shopping paradise is just around the corner as well; extending from Mönckebergstraße along the pedestrian precinct down to the lake “Binnenalster”.

But you won’t find time on your hands in our hotel/hostel, either. W-LAN in all the rooms and Internet access at our terminals in the lobby mean that your friends and acquaintances back home can share in all your experiences right away. You can also plan more excursions around the city; reception will be happy to help with their organisation. Our competent staff can speak several languages and are always available to offer advice and practical assistance. The recreation area with billiards, table soccer and Wii gives you plenty of opportunity for activity and relaxation, and some legendary parties have taken place in our party cellar. Reasonably priced drinks and snacks are available at the bars – in other words, nothing can stand in the way of a relaxing evening.

So why not cast off and set sail for Hamburg?!
