A&O Hamburg Reeperbahn

You will find the A&O Hamburg Reeperbahn on Hamburg's most famous street. Probably known to many as the former Hotel Stern, we have been continuing that hotel's 20-year tradition – cheap accommodation in a lively atmosphere at the heart of St. Pauli – since 2009.

More than 300 rooms make the hotel ideally suited to groups, but individual travellers keen to experience some of Hamburg's stimulating, big-city flair will appreciate the A&O Hamburg Reeperbahn as well. Our young staff are available around the clock to give advice and practical assistance to guests and offer tips to help optimise their stay in Hamburg. Our extensive, popular breakfast buffet is available in the Hanseatic-style breakfast room as from 6 am, even at weekends, which means you can enjoy the first meal of the day before or after a visit to Hamburg's fish market.

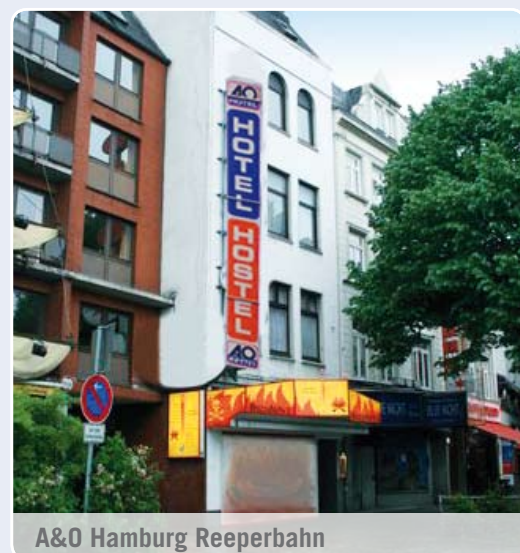

Having gathered your strength, you may want to set out on foot: the piers, the fish market or the TUI-Operetta House and Schmidt's Tivoli are only a short walk away. And if you wish to go a bit further, you will find underground and city railway stations right outside your door, as it were. Directly adjacent to the hotel, the "Hambooger Veermaster" – the oldest eating and entertainment place on the Reeperbahn – opens its doors to gourmets and pleasure-seekers. After 8pm on Fridays and Saturdays and on special occasions an evening here will include popular hits, dancing and a super atmosphere – it's best to reserve a table! For those arriving early or wishing to explore more of Hamburg on the day they leave, our luggage room is available free of charge. You are also welcome to use the hotel's own car parking space and underground garage – a small fee is charged.

We suggest you book a "St. Pauli Quickie" straight away. After this tour of the district you will be acquainted with the most important facts, places and backgrounds, as well as getting many valuable tips about our famous, or rather infamous quarter. Every Saturday at 5 pm and 7 pm – further information is available at reception.
