A&O München Hackerbrücke

From the main train station you can reach our A&O München Hackerbrücke with the tram within 10 minutes. With choosing A&O München Hackerbrücke you made the right decision as here you will find the ideal starting point for your tour through Munich and an excellent accommodation for groups, families and individual travellers. After having finished your rich breakfast you will be ready to set off: You can comfortably reach Viktualienmarkt (a daily food market and a square), The Church of Our Lady and the famous beer hall Hofbräuhaus by foot. Munich offers you countless possibilities to spend the day, be it a visit to the soccer club FC Bayern Munich's Allianz-Arena, a day trip to the castle Neuschwanstein, or a detour to the Alps.

In the evening, our "Mountain View Sky bar" with terrace outside opens and presents you a beautiful view over Munich. When the sky is clear you can even see the Alps. International flair, high spirits and all kinds of personalities meet here to laugh, celebrate and get together.

It is our pleasure to even organise a traditional barbecue for groups. In the evenings you can rest the eyes, test your feet with our Nintendo Wii or your voice during karaoke-events in our in-house party room. We offer teachers or group leaders a much appreciated opportunity for recreation in our A&O Teachers' Lounge, equipped with PC, printer, free internet access and telephone.

A hint: Those who want to visit Munich during the October festival (15 minutes by foot from A&O München Hackerbrücke) must book VERY early in advance!
