## A&O Wien Stadthalle

A very warm welcome to our guests in one of Europe's most historic cities. The A&O Hotel Vienna Stadthalle is situated on the street Lerchenfelder Gürtel, a short walk away from Vienna's main shopping street Mariahilferstrasse and the station Westbahnhof. The city of Vienna speaks for itself: well-known concert halls, big museums, splendid buildings and nostalgic stores are just as much a part of Vienna as contemporary galleries, modern architecture and trendy shops.

Often one visit to the metropolis on the Danube is not enough to see even the most famous sights: the Prater, St. Stephan's Cathedral, Hotel Sacher or the Palace of Schönbrunn – the list of Vienna's attractions is almost endless. The right answer is expert planning, and that begins with your choice of hotel. You are well-advised to start your city tours from the A&O Vienna Stadthalle with its reasonable prices and ideal location. Opened in spring 2009, visitors are quickly convinced by our hotel's modern, functional fittings and unbeatable atmosphere. Your accommodation will be in pleasantly furnished single, double, family or shared rooms equipped with shower/WC, hairdryer and television. The teachers' lounge offers teachers or as the case may be, group leaders the opportunity to organise their trips in a quiet atmosphere. There is parking space for your car directly in front of the hotel. At the reception desk, which is manned 24 hours a day, our staff are happy to help you plan your stay and provide all the tips and tickets you need to explore Vienna. Internet terminals in the lobby area and WiFi in every room will keep you in touch with the whole world. Only one underground station away from Vienna's Westbahnhof station, here you'll find an ideal base for your expeditions into the city. And each evening when you return from a busy day, why not relax at our bar for a while? A fine selection of drinks and delicious snacks are available. Enjoy the evening with friends and new acquaintances, or take part in a game of billiards or table soccer.

There is no doubt – the A&O Vienna Stadthalle is a hotel with charm.
